From 28/01/22

WCA Allowance Support Group award

On 25/01/22 Mr [REDACTED] was examined/assessed by a Health Care Professional from the Centre for Health and Disability Services in connection with the Work Capabilities Assessment.

Having considered the available evidence, the Decision Maker has decided that Mr [REDACTED] Grant has scored 15 points from the appropriate descriptors contained in schedule 2 of the Employment and Support Allowance Regulations and therefore has limited capability for work (LCW).

The Decision Maker has proceeded to consider whether Mr [REDACTED] has Limited Capability for Work Related Activity (LCWRA). Having further examined the available evidence the Decision Maker has decided that one or more of the descriptors contained in schedule 3 of the ESA Regulations apply to Mr [REDACTED] he therefore has LCWRA under regulation 34.

As a result Mr [REDACTED] continues to be entitled to Employment and Support Allowance with the support component from 28/01/22

Combined score

15

Limited capability for work

A person will be treated as having limited capability for work if they have scored

- 15 points in respect of descriptors specified in the functional assessment;
- 15 points in respect of descriptors specified in the mental health assessment or
- A combined score of 15 points.

Further considerations:

Regulation 20 applied	<input type="checkbox"/>
Regulation 25 applied	<input type="checkbox"/>
Regulation 26 applied	<input type="checkbox"/>
Regulation 29 applied	<input type="checkbox"/>
Regulation 35 applied	<input type="checkbox"/>
Conveying food or drink to the mouth - Schedule 3 (15) applies	<input type="checkbox"/>
Chewing or swallowing food or drink – Schedule 3 (16) applies	<input type="checkbox"/>
Controlling bowels or bladder – Schedule 3 (8) applies	<input type="checkbox"/>

Further information supporting the decision:

Declarations:

I confirm that the reasons for the decision are fully recorded in Part 1 of this form. This includes any changes to the scoring and recommended overall outcome as advised by the HCP in their assessment report. If appropriate, any additional information that has not been recorded in Part 1 is detailed above in the “Further Information supporting the decision” section.

☒

To be completed **only** if an ESA50 available when the decision was made:

I confirm that the information on the ESA50 form has been fully considered and taken into account

☐

To be completed **only** if no ESA50 available when the decision was made:

I confirm that at the time the decision was made, there was no ESA50 available for the Decision Maker to consider.
